type White

producer Groote Post Vineyards

style Dry

winemaker Lukas Wentzel

taste Fruity

wine of Coastal Region

tasting notes

NOT AVAILABLE FOR TASTING AT CELLAR DOOR

Reflecting the excellent Sauvignon Blanc vintage that we have enjoyed, the Reserve is big on the nose: vegetal whiffs of green asparagus and green pepper. A bold and full palate, well rounded with a big mouth feel and a lingering taste. Yet again, a very special wine from a very special place.
